SECOND TRIAL FOR DUNN IS SET TODAY

Another Hearing Will be Given Con-
fessed Wife Murderer on
Monday, January 24

COURT CALENDAR MADE TODAY

First Ten Days in January Devoted
to Criminal Cases, Including
Royster and Manning Trials

Judge Sparks today set Monday, January 24 as the time when the murder trial of Fred Dunn will be heard again in circuit court. The new trial will be stated on Monday of the last week in the present term of court, and is contrary to the impression given out at first when the jury disagreed in the case.

After the jury disagreed, it was stated that Dunn would not be given another trial in this term of court, but would probably be tried early in the February term. In all probability 100 names will be drawn when the time draws closer for the trial, as it will no doubt be a difficult thing to secure a jury.

This morning in circuit court the petition for support in connection with a divorce suit pending, which was filed by Frances Foust against Carl Foust, was heard. The matter was taken under advisement.

A suit filed by the First National Bank of Lewisville against Ora Wall, et al., on a note demanding \$900 was dismissed today in court by the plaintiff. Another suit of a similar nature in which \$800 was demanded also was dismissed. The plaintiff in this suit was John A. Widau and the defendant, Ora Wall et al.

Although the November term of court is only about half gone, the court calendar has been made out for almost the entire number of days remaining in the term. Many cases have been set for trial within the last few days and the calendar is now completed up until January 20.

The first ten days in January have been set aside during which time state cases will be tried, and an effort will be made to clean up some of the long standing cases on the docket.

During this period two late cases filed in the criminal court will be taken care of, including the case against Clark Royster, the Columbia merchant who was arrested on a charge of embezzlement, and Robert L. Manning, who was arraigned this week on a charge of selling mortgaged property.

The first part of the new court calendar is pretty well crowded with cases, although as the case usually is, all of them are not tried for some reason or other.

The calendar is as follows:
Dec. 6—Cook vs Hyatt Hotel Co.
Dec. 7—Innis vs Colter.

Dec. 8—Branam vs Hiner; McCarty vs McCarty; Sipe vs Clark, est.
Dec. 9—Morris vs Wewee.

PURDUE BANQUET TO BE HELD DECEMBER 27

Arrangements Being Made For Gathering of Alumni, Ex-Students and Present Students

PROF. T. E. MORAN WILL SPEAK

A banquet for all Purdue university alumni, ex-students and present students will be given in this city during the holidays, according to an announcement received here today. There will be several speakers on the program, with Prof. T. E. Moran of Purdue giving the principal address. Other speakers will be residents of Rush county.

Monday, December 27 has been selected as the date for the banquet, but it is not known yet where it will be held. The banquet is being fostered by the Rush county association of Purdue alumni, which organized here several months ago and has held a few meetings. Purdue students from Rush county are working in co-operation with the local alumni in arranging for the affair.

R. M. Kincaid, a Rush county student in Purdue, is chairman of the program committee and will consult with local alumni and ex-students in preparing it.

RELIEF FROM POOR SERVICE PROMISED

Committee Told Mail Troubles Will be Solved by Making Rushville Regular Stop For No. 35

COMMITTEE AT CINCINNATI

Rushville was promised relief from the poor mail service which resulted from the change in time on the C. I. & W. last Sunday, at a conference in Cincinnati Friday between representatives of cities between Indianapolis and Cincinnati and division mail officials.

Supt. Clark of the railway postal service said that Rushville's trouble lay in the fact that the No. 35, due here from the west at 7 o'clock in the morning, stopped only when flagged. He stated that if Rushville were made a regular stop, all of the mail would be sent on the 7 o'clock train instead of being held until the train due here at 8:44, because all of the mail from the west is in Indianapolis by five o'clock in the morning and No. 35 does not leave there until 6:10.

Arrangements were made for Supt. Clark's chief clerk to go to Indianapolis soon for a conference with B. A. Worthington, president of the C. I. & W., and he will be accompanied by a local committee which will endeavor to have Rushville made a regular stop for No. 35. Under the present arrangements no more mail than can be thrown off while the train is in motion, is being carried now. It is pointed out that No. 35 might as well stop here regularly because it is flagged nearly every day.

Wilbur Stiers and B. O. Simpson represented Rushville at the conference Friday. Arrangements were also made for mail from the east to be carried from Cincinnati on the train due here at 11:36 p. m.

ENTHUSIASM HIGH AT FARMERS MEET

About 250 Members of Rushville Township Association and Families at Annual Session

TALMAGE DEFRESE SPEAKS

Fred Bell Urges Attendance at National Meeting in Indianapolis—Officers Re-elected

The Rushville Township Farmers' association met last night at the Webb school building and following a pitch-in supper a business session was held, including the election of officers. All of the former officers were re-elected except the county director, John O. Hill being elected to succeed Isom Stevens in that position.

About 50 members and their families attended the meeting last night, and the feature of the evening was the bountiful supper which was provided by the women of the township. A program was also given during this hour by O. P. Wamsley and daughter Katherine and Miss Francis Lyons of this city.

The Rev. Talmage Defrese of the Little Flatrock Christian church delivered an address, "Needs and Benefits of Farmers' Organizations." His address was very helpful. Fred Bell, president of the county organization, also spoke on the national convention which will be held in Indianapolis next week, and urged all farmers to attend the national meeting, because of the closeness to home of such a big event.

The complete program for the national convention has been published, and prominent farmers and speakers from all over the country will be on hand to take part, and every farmer in Rush county has been urged by the county organization to make an effort to attend the sessions.

The officers last night who were re-elected are as follows: Will L. Brown, president; Bert Davison, vice president; John Davis, secretary, Sherman Oneal treasurer. Bert Osborne also was elected director to serve three years, having been previously elected to serve one year.

Will Brown will appoint 17 delegates in the near future who will represent the township in the county convention which meets in this city on December 14.

It also developed last night that Union township is carrying a chip on their shoulders, when an announcement appeared in the paper last night, concerning the good cooks in that township. The Rushville township women last night pledged themselves to be revenged and asserted that they would show the Union township organization up, when the cooking exhibit is held here in connection with the corn show.

The women at the Richland township meeting last night also were stirred by the bold statements of the Union township women, and they too, will attempt to win all the prizes at the show.

FARMERS HOLD A DEBATE

Richland Organization Entertains in a Novel Manner

The Richland township farmers held their monthly meeting last night at the Butler school building, and a delightful and profitable evening was spent by a large size crowd. The session last night was in the form of a debate, with two men on each side and the audience the judge. The subject, "Resolved that it is cheaper to buy feeding hogs than to raise them," was declared in favor of the negative side by the vote of the audience. The debate then started the question of raising hogs and six men will keep an accurate expense account of the cost of raising a litter of hogs, and will co-operate with the county agent along this line.

The cost of production of wheat was also discussed at length and similar plans were adopted for this measure.

OVER 300 ATTEND DISTRICT MEETING

Attendance Largest in History of Association With Exception of Richmond Meeting.

GREENFIELD MAN IS ELECTED

Supt. N. F. Mahin Chosen President and Wayne County Man Secretary-Treasurer.

Approximately three hundred and twenty-five school teachers from all parts of the sixth congressional district enrolled this afternoon for the meeting of the Sixth District Educational association, which opened at the Graham high school building this morning at nine o'clock and continued all day. The attendance was said to be the best in the six years' history of the association with the single exception of the meeting held at Richmond.

The principal addresses on the program were made by E. B. Wetherow, state high school inspector, who spoke briefly just before the close of the morning session, and Dr. H. G. Hilliard of Earlham college.

N. F. Mahan, superintendent of the Greenfield schools, was elected president, at a brief business session held this afternoon and Rushville was selected again for the annual meeting. It will be held the first Saturday in December, 1921.

Catherine Ensminger, principal of the junior high school of Shelbyville, was elected vice-president, and C. O. Williams, Wayne county superintendent of schools, was chosen secretary-treasurer. The following executive committee was named, with H. A. Reisel of Franklin county, chairman:

Rush county, W. E. Wagoner of Arlington; Union, Jesse Stevens; Fayette, B. E. Meyer; Hancock, J. W. Cory; Henry, L. E. Rogers; Wayne, J. A. Steely; Shelby, Earl Gifford.

Mr. Wetherow dwelt in his short talk on the necessity of the wealthier counties of the state paying more for the support of the schools in the poor counties. This was the chief aim of the recent observance of educational week in the state—to ere a sentiment in favor of raising the state school tax so that it would not be necessary to increase the local taxes for the schools. Under the present system the state school tax is distributed by the state treasurer to the benefit of the counties which do not have much wealth.

The afternoon program opened at one o'clock with an entertainment by pupils of the Rushville high school which was very much appreciated, judging from the applause which it received. The first offering was a cantata, "The Garden of Flowers," by the high school girls glee club, which was very liberally received, but did not compare in popularity with the whistling solos by Paul Spivey. His offerings were vigorously applauded by the audience and he had to respond with two encores, but still the teachers were not satisfied. "The Highland Fling" presented by the Misses Florence Flechart, Martha Fanning and Helen Gray, was the last number of the high school program and also met with a hearty response.

Most of the morning was devoted to a series of conferences on the topic, "Better Speech for Better Americans" each continuing about one and one-half hours.

After the program this afternoon, a series of sectional meetings were held in which teachers discussed subjects which they teach.

The teachers ate dinner served by the Ladies Aid society of the First Baptist church.

JINNETT IS IN THE RACE TO THE FINISH

Declares in Indianapolis He Will Abide by Caucus in His Campaign For Speakership

IS READY FOR FOURTH TERM

That William R. Jinnett of Manilla, Rush county representative in the lower house of the legislature, is in the race for speakership and will not retire, is divulged by the following from the Indianapolis Star today:

Representative Will R. Jinnett of Rush county, who was at the Claypool hotel Thursday evening, declared that he will be in the speakership race to the finish.

"I'm 100 percent for Governor McCray's administration," he said. "Win or lose, I have confidence in Mr. McCray, and believe he offers safe leadership."

Mr. Jinnett is ready for his fourth session of the Legislature. There are just three other republican members of the next House who have been elected to the fourth consecutive term. Of this number, he is the only one who is a candidate for speaker. "I am a candidate for speaker who will stay to the finish and who will abide by the decision of the caucus," he said.

APPROPRIATES FUNDS TO MEET DEFICIENCIES

County Council Passes Appropriation Calling for \$5,811.28 at Special Session Today.

LARGEST ITEM IS FOR \$4,000

The county council met this morning in special session and an ordinance was placed on first reading regarding deficiency appropriations for the year, which totals \$5,811.28. The greatest amount in the list is \$4,000 which is to pay election expenses, which was due to woman suffrage causing greater expenses at that time.

No other business was transacted by the council this morning, and they adjourned following the reading of the ordinance. The appropriations which were made to pay the expenses for which there are not enough funds unless such deficiency bill is adopted, are as follows:

Clerk's office, \$35; recorder's office, \$11.28; poor farm employees, \$300; poor farm supplies, \$850; expense orphan poor, \$225; expense election, \$4,000; expense game wardens, \$5.00; expense refund taxes, \$60.00; expense per diem, bailiff, \$300; expense court room, \$25.00

NEW FARM POLICY TO BE OUTLINED

Second Annual Convention of American Farm Bureau Federation to Meet in Indianapolis Dec. 6

LIST OF SPEAKERS ANNOUNCED

Delegates of Million and More Members of Farm Federation Expected to Attend

(By United Press)

Indianapolis, Ind., Dec. 4.—Agricultural leaders from every part of the country will assemble here Monday, December 6, in the second annual convention of the American Farm Bureau Federation, to take up the problems confronting the farmer and to discuss measures for their solution and relief in conjunction with the formulation of a national agricultural policy.

The convention which will continue for three days, is expected to attract one of the largest representative gatherings of agriculturalists in the history of the country. Delegates of the million and more members of the American Farm Bureau Federation in the 33 states through which its organization extends will attend. In addition, representatives of other industries and business organizations with which agriculture is closely allied will be present.

Among the speakers who will address the convention are some of the foremost agriculturalists in the country, authorities on banking and finance, taxation, transportation and marketing—subjects to which the convention will accord a good share of its attention because of their kindred connection with farm problems—and others of natural prominence.

On the program are W. P. G. Harding, governor of the Federal Reserve Board; Governor W. L. Harding of Iowa; Governor Goodrich of Indiana; Henry Wallace, editor of a national farm magazine T. H. McDonald, chief of the United States Bureau of Good Roads; H. G. Shirley, secretary-treasurer of the Federal Highway Council; Clifford Thorne, of Chicago transportation expert; J. R. Howard, president of the American Farm Bureau Federation; Gray Silver, legislative representative of the Federation, and Sir Auckland Geddes, the British Ambassador to the United States. Ambassador Geddes' topic will be agriculture with reference to its international relationships. As it will be his first address on this subject since coming to America, considerable importance is being attached to it.

Other speakers are E. T. Meredith Secretary of Agriculture; Herbert Hoover; A. L. Lever, of the Federal Farm Loan Board, and William Redfield, former Secretary of Commerce.

The proposed national agricultural policy to which the convention will devote the greater part of its time is the outgrowth of a plan which had its inception before the war, but whose development was interrupted with the advent of hostilities. However, with readjustment and the new problems the war brought to the door of the farmer, the need of a definite agricultural policy has been felt more than ever and for some time a group of prominent agricultural leaders, and experts on financial transportation and marketing problems have been co-operating with President Howard of the Federation in working out the essential features of a complete policy.

The result of their deliberations will be presented at the convention and the decisions reached in regard to them will be made the basis of the future educational, legislative and economic activities of organized agriculture.

SAYS GOVERNMENT CAN'T AID FARMERS

Secretary Houston Tells Agricultural Committee That Finances Can't be Advanced Farmers

SAYS HE WARNED THEM

Washington, Dec. 4.—Government relief for present conditions confronting the farmers is impossible, Secretary of Treasury Houston told the house and senate agricultural committee.

Houston was the first witness before the joint session of the committee which will seek relief for the farmers who have been hit by the rapidly falling prices of their products.

At the same time the secretary predicted a drop in retail prices soon. He said retail dealers have been holding out against the lower prices but they would be unable to do it much longer.

"I don't know of any feasible plan of effecting any marked change in the price condition", said Houston. He declared that the government agencies have done everything that could be done to help them.

Houston said he advised the farmers while he was secretary of agriculture that a drop in prices was coming and he urged them to prepare for it.

He denied that the farmers were suffering from lack of credit. The much termed deflation or contraction does not exist, said Houston. The only limit put on credit is due to speculation.

He said in his opinion that there was no way to finance agriculture exports because of the financial situation, existing between Europe and United States.

D'Annunzio to Wait For Italian Army to Dislodge Island Forces

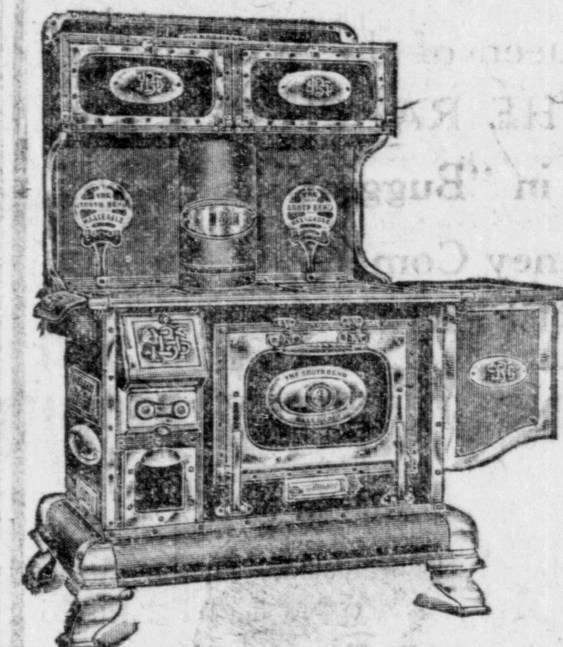

Rome, Italy, Dec. 4.—Gabriele D'Annunzio sent a note of defiance to General Decavaglia, commanding the Italian forces surrounding Fiume.

Decavaglia had redemanded that D'Annunzio evacuate Arve and Zeglia in connection with the Rapallo treaty.

"I do not require your authority", the poet's report stated. "I shall continue to hold the island. I am waiting for you to send men to dislodge my brave legion. Your men will be received warmly", the reply stated. The note was sent while the Italian forces threatened the island of Fiume and the port was blockaded.

POLITICAL BUCKET

IS UPSET ONCE MORE

Refusal of Senator New to Accept Place on Cabinet Leaves Opening For More Talk

HAD IT ALL PLANNED OUT

Indianapolis, Ind., Dec. 4—Word from United States Senator Harry S. New that he would not accept a position in president-elect's cabinet, if it is tendered him, has upset the dope pot again.

Certain republican politicians, said to be influential, hatched a plan at a conference at French Lick during the summer, which provided that Harry S. New be given a place in the cabinet and that Will H. Hays be offered his seat in the senate. The hope was to retain Hays as national organizer of the party but if elected to the Harding portfolio he would be forced to resign.

The situation now confronting the politicians is what will become of Will Hays. It has been said that he could not sit in the cabinet and retain the chairmanship at the same time.

PRESENCE OF U.S. IS ASKED

Representative Urged to Attend League for a Consultation

Washington, Dec. 4—An invitation from the league of nations for the United States to participate in deliberation on disarmament was received at the state department Friday.

The invitation says that the league wants a representative of the United States to "sit in a consultative" capacity on the permanent military, naval and air commission.

The invitation made it plain that American participation in the conference would not bind the country or interfere with the liberty of action. Nevertheless the participation of the United States would be an important factor to the success of the work.

South Dakota Land Settlement Plan Gives Credit to Former Soldiers To Buy Farms

140 LOANS ARE MADE THUS FAR

State Will Provide Finances For Farm Purchases as Well as For Farming Equipment

Pierre, S. D., Dec. 3—Although a number of South Dakota ex-service men have "seen Paree" they are staying "down on the farm" in opposition to the thought in the popular song. This result has been achieved partly by the successful workings of the South Dakota Land Settlement Plan, which provides for the loan of any sum between \$500 and \$10,000 to former service men for the use of paying ninety per cent of the appraised value of land and eighty percent of the cost of equipping it with machinery and live stock, a system similar to that which the American Legion has embodied in its four-fold national

Colonel Boyd Wales, who led the 147th F. A. Regiment of the 32nd Division, and who is Land Settlement Commissioner, is enthusiastic over the results in the short time compensation plan.

The plan has been in operation. Up to October 1, 140 former soldiers had received loans and been located on lands. Of this number, Colonel Wales declared that "one hundred percent are making good, and they all made some improvements and raised some grain". The loans to individuals have averaged about \$4,500 each. Most of the men have put in about ten percent of their own capital, using the balance of it for stock and improvements.

In the course of their farming operations, 43 of these men have raised 1,671 acres of corn, an average of 39 acres each; 26 have raised 685 acres of oats, an average of 25 acres each; and 25 have raised 912 acres of wheat, an average of 36 acres each.

Indianapolis, Ind., Dec. 4—Short skirts, peek-aboo waists, and open hosiery on high school misses and cigarette smoking by the Hoosier youth are coming under the guns of the Parent-Teacher associations, according to plans formulated by the Indianapolis federation. A resolution adopted by the federation declared that body would use all influence to encourage "sensible dress" among the high school girls.

Another resolution pledged the organization to cooperate in widely directed efforts in county, state and nation to safeguard young people from evils of the cigarette habit.

Squaring the Deal

Most people are at heart, advocates of the square deal. It is a natural trait of the American people, and the residents of this community are not backward in this respect.

Shall we incorporate the spirit of the square deal into our Christmas spirit this year?

Shall we go even further, and make it a square deal for ourselves and for the community that shelters and feeds us?

Our people for a number of years have enjoyed a large measure of material prosperity. This fact is reflected in the community life, in the clothes we wear, in the food we eat, and in every act of our daily existence.

It will be reflected in the purchases we make for the holiday season,

which will be upon a liberal scale, though possibly not extravagant.

A spirit of fairness impels us to say a word in behalf of our local merchants—those dealers who have stood loyally by the community in adversity as well as in prosperity.

They have purchased heavily in the wholesale markets in order to be able to supply the holiday offerings down as low as it is possible for them to be sold. They have done their utmost in order to meet the requirements of the public.

We feel that our people are eminently fair minded—that they will extend the square deal to the home merchant at Christmas time as they do at other seasons of the year—that they will first examine the stocks of the local merchants before making their Christmas purchases—and, all things being equal, that they will give the local man the benefit of their trade wherever possible without prejudice to themselves.

Christmas is a time of good cheer, and the square deal increases it a hundred fold.

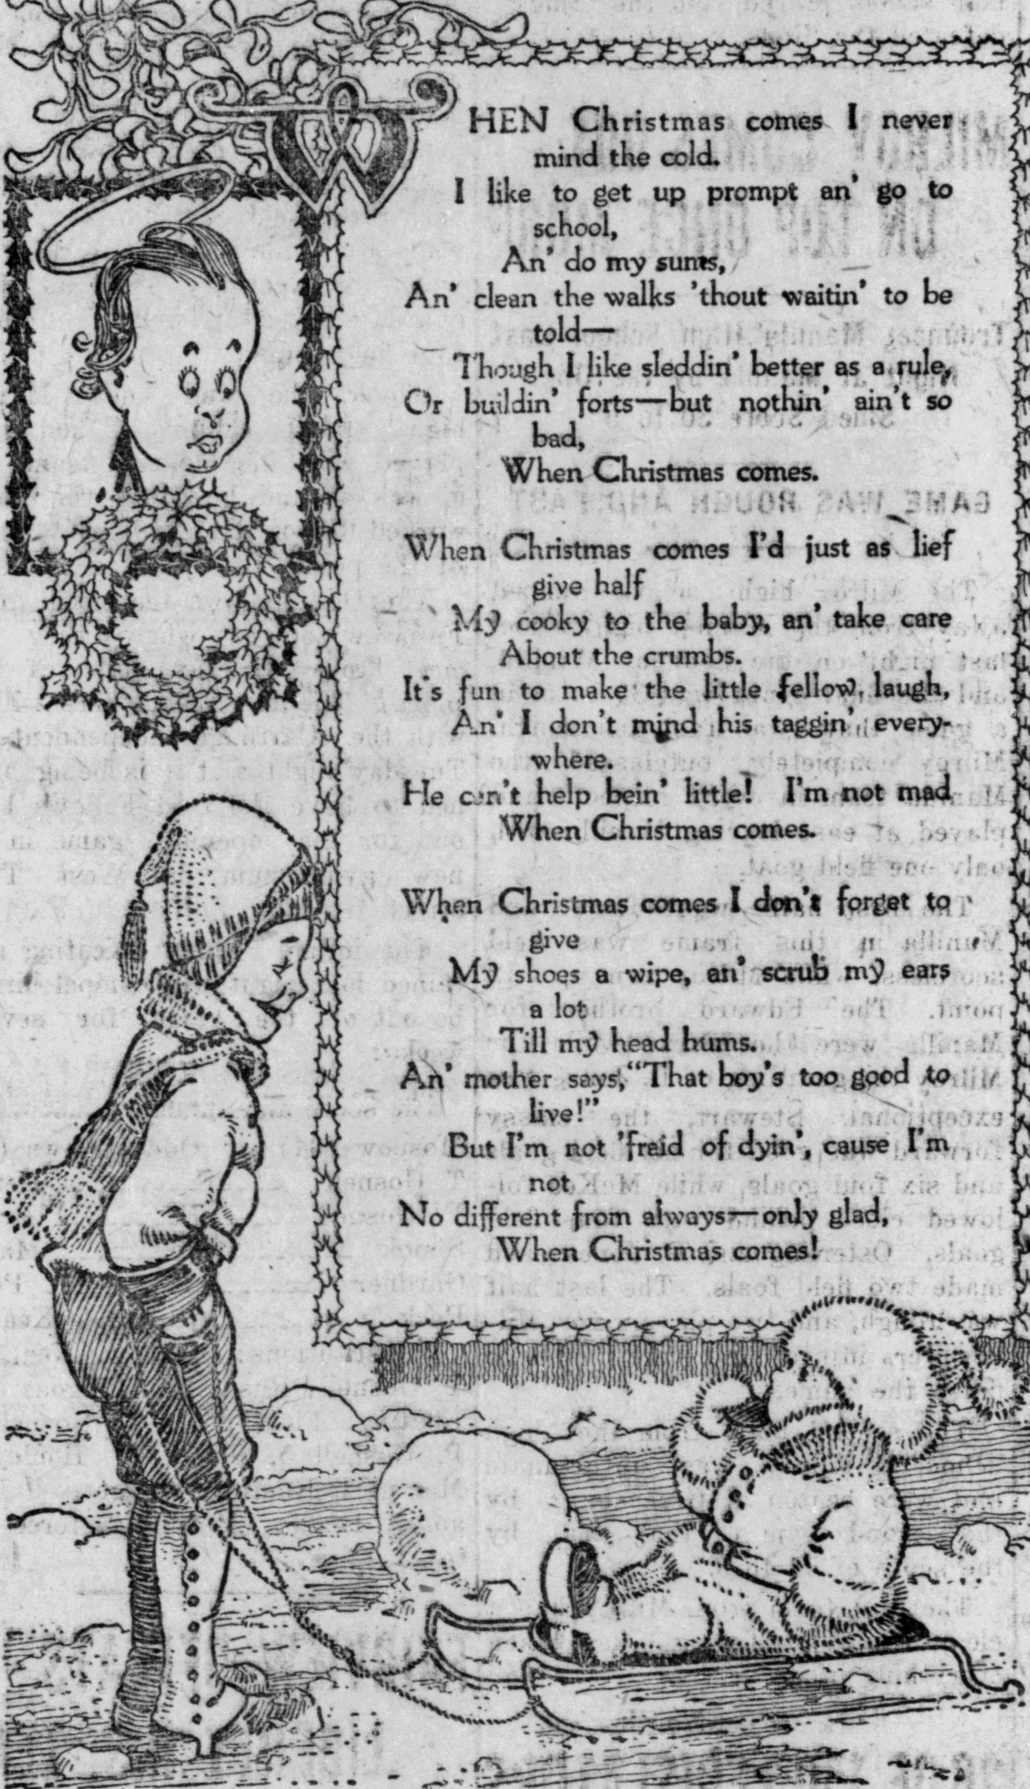

Political writers, in the daily press have assumed the task of constructing a cabinet for the next president. And yet it can hardly be termed "love's labor lost". A lot of people can say that they were also mentioned.

RUSHVILLE PILES UP A LARGE SCORE

High School Defeats Spiceland Here Friday Night, 50 to 9, Making Goals With Ease

26 TO 4 END OF FIRST HALF

Rushville Uses Substitutes During Opening Period—Second Team is Defeated, 14 to 10

The Spiceland Academy fell hard last night to the Rushville high school, the final score being 50 to 9. The one sided contest gave the Rushville team a chance to exhibit real team work, and made goals almost at their leisure, although Spiceland never gave up the game until the final period was over.

The second team was off form last night and couldn't get together, and lost to the Academy's second team by the score of 14 to 10. In the first half of this game, Spiceland piled up 10 points while Rushville had 2, and it was not until the game was almost over that the Rushville seconds woke up, and began a rally, which proved to be too late.

In the big contest Coach Sutton started the team with the regular line-up and within a minute the score began to register. The first ten minutes Spiceland was held scoreless, while Rushville had eleven points. R. Reece, center for Spiceland, made the first two points for the visitors, when he turned loose a field goal from the center of the floor, followed soon afterwards by another long shot by V. Reece, back guard who threw the ball into the basket from deep back field.

Rushville continued to land the ball through, and when the first half had ended the score stood 26 to 4. Before the half ended Rushville made substitutions in the line-up and even with the "subs" in the game Spiceland could not break through.

Coach Sutton replaced the regular line-up again in the last half, and Spiceland was the first to score on a field goal. The two Headlee brothers for Rushville began to work like magic and the points rolled into the basket in rapid order.

When only a few minutes remained to be played the score stood 44 to 9, and the fans broke loose with yells, wanting the score to be brought up to 50 points. The basket shooters started in and began to make work the 50 point margin, and it was when the ball was in the air headed for the basket that the final whistle blew, but the goal counted because the ball was in motion.

Rushville played swift ball throughout the game and were not compelled to exert themselves in order to win. The Headlee brothers played together in great fashion and were the big point makers, while Miller and Eakins added team work and made effective on their passes in leading the ball up to the goal.

Frazee at back guard covered his territory, and his man at forward was held without a single point.

The local team plays away from home next Friday, going down to Columbus for a game. It has been several years since a Rushville team has had any luck with the Columbus team, but this year Coach Sutton is confident that his team will turn the tide.

The score and summary last night: Rushville (50) Spiceland (9)

L. Headlee ----- F. Myers
Miller ----- F. Wright
E. Headlee ----- C. R. Reece
Eakins ----- G. Sticker
Frazee ----- G. V. Reece

Substitutions: Rushville, Davis for E. Headlee, Phillips for Eakins, Reynolds for L. Headlee and then reversed again: Spiceland, Lacy for Sticker, Starbuck for Wright, Henshaw for V. Reece. Field goals, L. Headlee 5, Miller 5, E. Headlee 12, Eakins 2, Phillips, Reynolds, Myers, R. Reece 2, V. Reece. Foul goals, R. Reece 1 out of 5; Eakins 4 out of 9. Referee Babb, Indianapolis.

ARLINGTON IS DEFEATED

The Arlington high school basketball team lost a close game last night to the Moscow high school on the floor at Blue Ridge, by the score 18 to 17. The game was a real battle from beginning to end, with Moscow leading in the first half, 13 to 4. In the final period Arlington came back strong, but could not quite catch up, and were compelled to drop the game by the narrow margin of one point.

BOTH CARTHAGE TEAMS WIN ON THE HOME FLOOR

High School Quintet Defeats Clarksburg, 56 to 5, Allowing Visitors 1 Point in Last Half

INDEPENDENTS WIN 16 TO 11

The Carthage high school had little trouble last night in dowaing the Clarksburg high school, when the score ended with Carthage at 56 and Clarksburg with only 5 points. The game was clean and fast and in the last half Clarksburg made only one point, the first half ending 34 to 4.

The fans at Carthage also saw the Independents win from the Spiceland Independents by the score of 16 to 11. This game was exciting from beginning to end and the first half saw the visitors leading 9 to 6. Ratcliff, guard, and Chew, forward, were fast for Spiceland and starred for the visitors, Carthage has won several games on rallies toward the end, and will play in Rushville on Tuesday night.

In the curtain raiser to these two games, two girl's teams from the high school played, and the 'Blacks' defeated the 'Reds' 6 to 5.

MILROY COMES OUT ON TOP ONCE MORE

Trounces Manilla High School Last Night at Manilla by the One Sided Score 30 to 5

GAME WAS ROUGH AND FAST

The Milroy high school romped away from the Manilla high school last night on the floor at Manilla, and the final count was 30 to 5, in a game that was fast and rough. Milroy completely outclassed the Manilla team in every respect and played at ease leaving Manilla with only one field goal.

The first half was fast, and Manilla in this frame was held scoreless, while Milroy ran up 12 point. The Edward brothers for Manilla were the stars while for Milroy the guarding of D. Jones, was exceptional. Stewart, the classy forward was good for six field goals and six foul goals, while McKee followed close behind with four field goals. Osterling and D. Jones each made two field foals. The last half was rough, and two players for Milroy were injured and were unable to finish the game.

The second team from the high school at Milroy was unfortunate and were beaten at Greensburg by the second team of that city, by the score of 11 to 3.

The first team from Milroy has a clean record so far and has taken everything in its scope.

STAGE A COMBACK IN THE LAST HALF

Odd Fellows Quintet Unable to Overcome Moscow Independents Lead, However, And Lose

GAME PLAYED AT BLUE RIDGE

Score is 28 to 8 in First Half by Local Independents Hold Moscow to 6 Points Last Half

The Odd Fellows basketball team lost a hard fought game last night to the Moscow team on the floor at Blue Ridge, by the score of 34 to 27. One of the big features of the game was the "comeback" staged by the Rushville team in the last half of the game.

It was the first game for the Rushville team, and Keating, floor guard, was compelled to go out of the game early on account of a sprained ankle.

In the first half Moscow romped away with Rushville and ran the score up to 28 points, while Rushville was held to only 8. In the last half the local team rallied and made a big attempt to overcome the lead, and was almost within tying the score when the game ended.

In the last half Moscow made only three field goals, or six points while Rushville made 19. Hilligoss, who took Keating's place as floor guard, showed up well, and made four field goals.

Shook, the well known Manilla high school center of last year, played with the Moscow team, and it was around him that the team worked. Shook made 8 baskets or 16 of the points for the Moscow team.

The Odd Fellows team will go to Fairview tonight where they will meet the Athletic club of that place. The first game here will be with the Carthage Independents on Tuesday night and it is being planned to have the Odd Fellows band out for the opening game in the new gymnasium in West Third street.

The injury which Keating sustained last night will compel him to be out of the game for several weeks.

The score and summary last night: Moscow (34) Odd Fellows (27)

The Fairview high school journeyed over to Union county last night where the basketball team won from the Liberty aggregation by the score of 21 to 18, winning the game in the last few minutes of play.

Peters for Fairview was the point getter, and landed five field goals and three foul goals or 13 of the points. The floor was small and all shots were made from close range of the basket. Fairview goes to Liberty again next Friday where they will meet the Brownsville team on the same floor.

The score and summary of the game: Fairview (21) Liberty (18)

New York Shops Show Spring Goods

"By MARJORIE"

Mrs. Lee Endres will be hostess for the members of the Tri-Kappa sorority Monday evening at her home in North Harrison street. A large attendance is desired.

The Young Ladies Mission Circle of the Main Street Christian church will be entertained Monday evening at the home of Mrs. C. F. Hester, 316 West Tenth street. All members are requested to be present.

The Woman's Council will meet Monday night in regular session at the Callaghan store, and all members are urged to be present so that the meeting can begin promptly at seven o'clock.

Mrs. Sarah Giffin will entertain the members of the O. N. T. club Monday afternoon at two o'clock instead of Tuesday afternoon, the regular meeting date. All the ladies of the club are cordially invited to attend this meeting.

Mr. and Mrs. John Moore of North Perkins street had as their dinner guest today A. J. Reifel, superintendent of the Brookville schools, who attended the Sixth District Educational association meeting held at the Graham high school building today.

C. Seward Jackson, son of Henry Jackson of this city, and Miss Lela Richardson, daughter of Mr. and Mrs. Howard Richardson, were married this afternoon at two o'clock at the Main Street Christian church parsonage, by the Rev. L. E. Brown. The young couple will reside in this city.

Mrs. Ione Abercrombie will entertain the members of the Monday Circle Monday afternoon at her home in North Main street. The club will continue their studies of South America and Mrs. Lambert will have a paper on "The Spirit of Argentina" and Mrs. Kramer will prepare one on "The City of Good Airs."

Mrs. Charles A. Mauzy and Mrs. Hugh E. Mauzy were gracious hostesses yesterday afternoon between the hours of 2:30 and 5:30 for a prettily appointed musical given at the home of the former in North Harrison street. The home was attractively decorated for the affair in ferns and French baskets of red and white carnations.

Three musicians of Indianapolis, Mr. Nealis, baritone; Miss Florence Paikin soprano and Miss Obermeyer, accompanist, rendered a very appropriate musical program and were very highly complimented for their selections.

Following the program a delicious luncheon was served by the hostesses, to the one hundred and fifty guests entertained during the afternoon.

At 6:30 in the evening the hostesses, joined by their husbands, entertained one hundred guests with a delicious three course dinner party. The small tables on which the repast was served were prettily decorated with place cards, and individual candles and shades, carrying out the color scheme of red and white, in keeping with the Christmas season. Following the dinner the musicians rendered another entertaining program.

Among the out-of-town guests present for the affair were Mrs. George Becker of Richmond, Mr. and Mrs. M. H. Voris and Mr. and Mrs. A. D. Harb of Franklin, Ind.

Gift Muffs and Furs

Those wonderful plushes that are now known as "wool furs" make neckpieces and muffs that are just as warm, just as handsome and more durable than those made of skins, and they are not at all hard to make. A set made of sea plush is shown here.

MARGUERITE CLARK

Mrs. H. Palmerson Williams of New Orleans in private life, but universally known as Marguerite Clark, long one of the leading "movie" stars, is regarded by many as the sweetest girl on the screen. This is a recent picture of the little star.

For Over Seven Years

Back in the early part of 1913 this business was organized and started in a small frame building. Then came a move into larger quarters on account of increased patronage.

TODAY

We occupy our own plant. It is the third place we have occupied since our organization. Our patronage speaks for itself. Year after year we have expanded and added new equipment, which makes our plant today one of the finest in the state

WE INVITE INSPECTION

Come, see for yourself, the different departments in operation. Work is taken care of in Rushville, and is not trusted to some cleaner in an out of town plant. Because of the trust people have placed in us, is only one reason why our plant has so successfully existed under the same management for over seven years.

This plant is the only plant in Rush County that is entitled to the name of "Master Cleaners."

Buy Beaver Board that is BEAVER BOARD

You want better walls and ceilings, in your new home, in present waste space, or to replace cracked plaster and dingy wallpaper. So you ask for Beaver Board, the original wallboard, that has been building better walls and ceilings for a dozen years.

But do you know that inferior wallboards are often sold as Beaver Board? They may look like Beaver Board, feel like Beaver Board, and even claim to be as good as Beaver Board. But they can't give Beaver Board results.

Be sure to get what you ask for. The Beaver trademark on the back of every panel of genuine Beaver Board is there for your protection. Look for it.

Answer These Important Questions

Have you ever had cause to doubt that you enjoy perfect vision? Do your eyes feel sore after a spell of close work—aching, smarting, or feeling as if sand or grit was lodged behind the lids.

Do you ever, while reading find that the print suddenly "goes misty" and confused? Is it necessary for you to hold your book or newspaper further away from the eyes than formerly—or do you need a stronger light? Do you find that reading or sewing for an extra hour or two causes headaches?

If you have noticed any of these peculiarities with your eyes you should have them carefully examined. Call and see us at once.

For a Pain around the Heart after Eating.

TAKE

PEPSINCO

Sometimes in front just under the heart, sometimes around under the left side, under the ribs behind the heart it's a sharp or acute pains; sometimes a dull heavy pain, leaving soreness. It's gas on the inside generated through gaseous foods, or, because of systematic inability to properly assimilate the food, this gas soon collecting, forms a lump that causes the pain. This is only one of a dozen different indications which PEPSINCO immediately relieves.—Keep PEPSINCO handy and take it the next time.

Ask your druggist—he sells and recommends Pepsinco.

SECOND TRIAL FOR DUNN IS SET TODAY

Another Hearing Will be Given Con-
fessed Wife Murderer on
Monday, January 24

COURT CALENDAR MADE TODAY

First Ten Days in January Devoted
to Criminal Cases, Including
Royster and Manning Trials

Judge Sparks today set Monday, January 24 as the time when the murder trial of Fred Dunn will be heard again in circuit court. The new trial will be stated on Monday of the last week in the present term of court, and is contrary to the impression given out at first when the jury disagreed in the case.

After the jury disagreed, it was stated that Dunn would not be given another trial in this term of court, but would probably be tried early in the February term. In all probability 100 names will be drawn when the time draws closer for the trial, as it will no doubt be a difficult thing to secure a jury.

This morning in circuit court the petition for support in connection with a divorce suit pending, which was filed by Frances Foust against Carl Foust, was heard. The matter was taken under advisement.

A suit filed by the First National Bank of Lewisville against Ora Wall, et al., on a note demanding \$900 was dismissed today in court by the plaintiff. Another suit of a similar nature in which \$800 was demanded also was dismissed. The plaintiff in this suit was John A. Widau and the defendant, Ora Wall et al.

Although the November term of court is only about half gone, the court calendar has been made out for almost the entire number of days remaining in the term. Many cases have been set for trial within the last few days and the calendar is now completed up until January 20.

The first ten days in January have been set aside during which time state cases will be tried, and an effort will be made to clean up some of the long standing cases on the docket.

During this period two late cases filed in the criminal court will be taken care of, including the case against Clark Royster, the Columbia merchant who was arrested on a charge of embezzlement, and Robert L. Manning, who was arraigned this week on a charge of selling mortgaged property.

The first part of the new court calendar is pretty well crowded with cases, although as the case usually is, all of them are not tried for some reason or other.

The calendar is as follows:
Dec. 6—Cook vs Hyatt Hotel Co.
Dec. 7—Innis vs Colter.
Dec. 8—Branam vs Hiner; McCarty vs McCarty; Sipe vs Clark, est.
Dec. 9—Morris vs Wewee.
Dec. 10—Thompson vs Colter.

Dec. 14—Craig vs Wilson.
Dec. 15—Winslow vs C. I. & W.
Dec. 16—Locke vs Campbell.
Dec. 17—Robbins and Son vs Mascari.
Dec. 20—Ball vs Siler.
Dec. 21—Creamery Co. vs McAllister; Creamery Co vs Amos.
Dec. 22—Goddard vs Gardner; Dalmbet vs Adams.
Dec. 23—Crim vs Yeatch, est. (2 cases).
Dec. 24—Rush Co. bank vs Green est.; Clark vs Green, est.

PURDUE BANQUET TO BE HELD DECEMBER 27

Arrangements Being Made For Gathering of Alumni, Ex-Students and Present Students

PROF. T. E. MORAN WILL SPEAK

There will be several speakers on the program, with Prof. T. E. Moran of Purdue giving the principal address. Other speakers will be residents of Rush county.

Monday, December 27 has been selected as the date for the banquet, but it is not known yet where it will be held. The banquet is being fostered by the Rush county association of Purdue alumni, which organized here several months ago and has held a few meetings. Purdue students from Rush county are working in co-operation with the local alumni in arranging for the affair.

R. M. Kincaid, a Rush county student in Purdue, is chairman of the program committee and will consult with local alumni and ex-students in preparing it.

RELIEF FROM POOR SERVICE PROMISED

Committee Told Mail Troubles Will
be Solved by Making Rushville
Regular Stop For No. 35

COMMITTEE AT CINCINNATI

Rushville was promised relief from the poor mail service which resulted from the change in time on the C. I. & W. last Sunday, at a conference in Cincinnati Friday between representatives of cities between Indianapolis and Cincinnati and division mail officials.

Supt. Clark of the railway postal service said that Rushville's trouble lay in the fact that the No. 35, due here from the west at 7 o'clock in the morning, stopped only when flagged. He stated that if Rushville were made a regular stop, all of the mail would be sent on the 7 o'clock train instead of being held until the train due here at 8:44, because all of the mail from the west is in Indianapolis by five o'clock in the morning and No. 35 does not leave there until 6:10.

Arrangements were made for Supt. Clark's chief clerk to go to Indianapolis soon for a conference with B. A. Worthington, president of the C. I. & W., and he will be accompanied by a local committee which will endeavor to have Rushville made a regular stop for No. 35. Under the present arrangements no more mail than can be thrown off while the train is in motion, is being carried now. It is pointed out that No. 35 might as well stop here regularly because it is flagged nearly every day.

Wilbur Stiers and B. O. Simpson represented Rushville at the conference Friday. Arrangements were also made for mail from the east to be carried from Cincinnati on the train due here at 11:36 p. m.

ENTHUSIASM HIGH AT FARMERS MEET

About 250 Members of Rushville Township Association and Families at Annual Session

TALMAGE DEFRESE SPEAKS

Fred Bell Urges Attendance at National Meeting in Indianapolis—Officers Re-elected

The Rushville Township Farmers' association met last night at the Webb school building and following a pitch-in supper a business session was held, including the election of officers. All of the former officers were re-elected except the county director, John Q. Hill being elected to succeed Isom Stevens in that position.

About 50 members and their families attended the meeting last night, and the feature of the evening was the bountiful supper which was provided by the women of the township. A program was also given during this hour by O. P. Wamsley and daughter Katherine and Miss Francis Lyons of this city.

The Rev. Talmage Defrese of the Little Flatrock Christian church delivered an address, "Needs and Benefits of Farmers' Organizations." His address was very helpful. Fred Bell, president of the county organization, also spoke on the national convention which will be held in Indianapolis next week, and urged all farmers to attend the national meeting, because of the closeness to home of such a big event.

The complete program for the national convention has been published, and prominent farmers and speakers from all over the country will be on hand to take part, and every farmer in Rush county has been urged by the county organization to make an effort to attend the sessions.

The officers last night who were re-elected are as follows: Will L. Brown, president; Bert Davison, vice president; John Davis, secretary; Sherman Oneal treasurer. Bert Osborne also was elected director to serve three years, having been previously elected to serve one year.

Will Brown will appoint 17 delegates in the near future who will represent the township in the county convention which meets in this city on December 14.

It also developed last night that Union township is carrying a chip on their shoulders, when an announcement appeared in the paper last night, concerning the good cooks in that township. The Rushville township women last night pledged themselves to be revenged and asserted that they would show the Union township organization up, when the cooking exhibit is held here in connection with the corn show.

The women at the Richland township meeting last night also were stirred by the bold statements of the Union township women, and they too, will attempt to win all the prizes at the show.

FARMERS HOLD A DEBATE

Richland Organization Entertains in a Novel Manner

The Richland township farmers held their monthly meeting last night at the Butler school building, and a delightful and profitable evening was spent by a large size crowd. The session last night was in the form of a debate, with two men on each side and the audience the judge. The subject, "Resolved that it is cheaper to buy feeding hogs than to raise them," was declared in favor of the negative side by the vote of the audience. The debate then started the question of raising hogs and six men will keep an accurate expense account of the cost of raising a litter of hogs, and will co-operate with the county agent along this line.

The cost of production of wheat was also discussed at length and similar plans were adopted for this measure.

OVER 300 ATTEND DISTRICT MEETING

Attendance Largest in History of Association With Exception of Richmond Meeting.

GREENFIELD MAN IS ELECTED

Supt. N. F. Mahin Chosen President and Wayne County Man Secretary-Treasurer.

Approximately three hundred and twenty-five school teachers from all parts of the sixth congressional district enrolled this afternoon for the meeting of the Sixth District Educational association, which opened at the Graham high school building this morning at nine o'clock and continued all day. The attendance was said to be the best in the six years' history of the association with the single exception of the meeting held at Richmond.

The principal addresses on the program were made by E. B. Wetherow, state high school inspector, who spoke briefly just before the close of the morning session, and Dr. H. G. Hilliard of Earlham college.

N. F. Mahan, superintendent of the Greenfield schools, was elected president, at a brief business session held this afternoon and Rushville was selected again for the annual meeting. It will be held the first Saturday in December, 1921.

Catherine Ensminger, principal of the junior high school of Shelbyville, was elected vice-president, and C. O. Williams, Wayne county superintendent of schools, was chosen secretary-treasurer. The following executive committee was named, with H. A. Reisel of Franklin county, chairman:

Rush county, W. E. Wagoner of Arlington; Union, Jesse Stevens; Fayette, B. E. Meyer; Hancock, J. W. Cory; Henry, L. E. Rogers; Wayne, J. A. Stealy; Shelby, Earl Gifford.

Mr. Wetherow dwelt in his short talk on the necessity of the wealthier counties of the state paying more for the support of the schools in the poor counties. This was the chief aim of the recent observance of educational week in the state—to create sentiment in favor of raising the state school tax so that it would not be necessary to increase the local taxes for the schools. Under the present system the state school tax is distributed by the state treasurer to the benefit of the counties which do not have much wealth.

The afternoon program opened at one o'clock with an entertainment by pupils of the Rushville high school which was very much appreciated, judging from the applause which it received. The first offering was a cantata, "The Garden of Flowers," by the high school girls glee club, which was very liberally received, but did not compare in popularity with the whistling solos by Paul Spivey. His offerings were vigorously applauded by the audience and he had to respond with two encores, but still the teachers were not satisfied. "The Highland Fling" presented by the Misses Florence Flechart, Martha Fanning and Helen Gray, was the last number of the high school program and also met with a hearty response.

Most of the morning was devoted to a series of conferences on the topic, "Better Speech for Better Americans" each continuing about one and one-half hours.

After the program this afternoon, a series of sectional meetings were held in which teachers discussed subjects which they teach.

The teachers ate dinner served by the Ladies Aid society of the First Baptist church.

JINNETT IS IN THE RACE TO THE FINISH

Declares in Indianapolis He Will Abide by Caucus in His Campaign For Speakership

IS READY FOR FOURTH TERM

That William R. Jinnett of Manilla, Rush county representative in the lower house of the legislature, is in the race for speakership and will not retire, is divulged by the following from the Indianapolis Star today:

Representative Will R. Jinnett of Rush county, who was at the Claypool hotel Thursday evening, declared that he will be in the speakership race to the finish.

"I'm 100 percent for Governor McCray's administration," he said. "Win or lose, I have confidence in Mr. McCray, and believe he offers safe leadership."

Mr. Jinnett is ready for his fourth session of the Legislature. There are just three other republican members of the next House who have been elected to the fourth consecutive term. Of this number, he is the only one who is a candidate for speaker. "I am a candidate for speaker who will stay to the finish and who will abide by the decision of the caucus," he said.

APPROPRIATES FUNDS TO MEET DEFICIENCIES

County Council Passes Appropriation Calling for \$5,811.28 at Special Session Today.

LARGEST ITEM IS FOR \$4,000

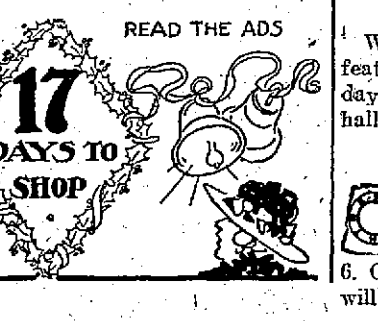

The county council met this morning in special session and an ordinance was placed on first reading regarding deficiency appropriations for the year, which totals \$5,811.28. The greatest amount in the list is \$4,000 which is to pay election expenses, which was due to woman suffrage causing greater expenses at that time.

No other business was transacted by the council this morning, and they adjourned following the reading of the ordinance. The appropriations which were made to pay the expenses for which there are not enough funds unless such deficiency bill is adopted, are as follows:

Clerk's office, \$35; recorder's office, \$11.28; poor farm employees, \$300; poor farm supplies, \$850; expense orphan poor, \$225; expense election, \$4,000; expense game warden, \$5.00; expense refund taxes, \$60.00; expense per diem, bailiff, \$300; expense court room, \$25.00.

NEW FARM POLICY TO BE OUTLINED

Second Annual Convention of American Farm Bureau Federation to Meet in Indianapolis Dec. 6

LIST OF SPEAKERS ANNOUNCED

Delegates of Million and More Members of Farm Federation Expected to Attend

(By United Press)
Indianapolis, Ind., Dec. 4.—Agricultural leaders from every part of the country will assemble here Monday, December 6, in the second annual convention of the American Farm Bureau Federation, to take up the problems confronting the farmer and to discuss measures for their solution and relief in conjunction with the formulation of a national agricultural policy.

The convention which will continue for three days, is expected to attract one of the largest representative gatherings of agriculturalists in the history of the country. Delegates of the million and more members of the American Farm Bureau Federation in the 33 states through which its organization extends will attend. In addition, representatives of other industries and business organizations with which agriculture is closely allied will be present.

Among the speakers who will address the convention are some of the foremost agriculturalists in the country, authorities on banking and finance, taxation, transportation and marketing—subjects to which the convention will accord a good share of its attention because of their kindred connection with farm problems—and others of national prominence.

On the program are W. P. G. Harding, governor of the Federal Reserve Board; Governor W. L. Harding of Iowa; Governor Goodrich of Indiana; Henry Wallace, editor of a national farm magazine; T. H. McDonald, chief of the United States Bureau of Good Roads; H. G. Shirley, secretary-treasurer of the Federal Highway Council; Clifford Thorne, of Chicago transportation expert; J. R. Howard, president of the American Farm Bureau Federation; Gray Silver, legislative representative of the Federation, and Sir Auckland Geddes, the British Ambassador to the United States. Ambassador Geddes' topic will be agriculture with reference to its international relationships. As it will be his first address on this subject since coming to America, considerable importance is being attached to it.

Other speakers are E. T. Meredith Secretary of Agriculture; Herbert Hoover; A. L. Lever, of the Federal Farm Loan Board, and William Redfield, former Secretary of Commerce.

The proposed national agricultural policy to which the convention will devote the greater part of its time is the outgrowth of a plan which had its inception before the war, but whose development was interrupted with the advent of hostilities. However, with readjustment and the new problems the war brought to the door of the farmer, the need of a definite agricultural policy has been felt more than ever and for some time a group of prominent agricultural leaders, and experts on financial transportation and marketing problems have been co-operating with President Howard of the Federation in working out the essential features of a complete policy.

The result of their deliberations will be presented at the convention and the decisions reached in regard to them will be made the basis of the future educational, legislative and economic activities of organized agriculture.

Webb's school basketball team defeated St. Mary's school here Friday afternoon at the Catholic school hall, 25 to 5.

STATED MEETING

A stated meeting of Rush chapter No. 24 will be held Monday evening, December 6. Officers will be elected and there will be work in the M. M. degree.

SAYS GOVERNMENT CAN'T AID FARMERS

Secretary Houston Tells Agricultural Committee That Finances Can't be Advanced Farmers

SAYS HE WARNED THEM

Washington, Dec. 4—Government relief for present conditions confronting the farmers is impossible, Secretary of Treasury Houston told the house and senate agricultural committee.

Houston was the first witness before the joint session of the committee, which will seek relief for the farmers who have been hit by the rapidly falling prices of their products.

At the same time the secretary predicted a drop in retail prices soon. He said retail dealers have been holding out against the lower prices but they would be unable to do it much longer.

"I don't know of any feasible plan of effecting any marked change in the price condition," said Houston. He declared that the government agencies have done everything that could be done to help them.

Houston said he advised the farmers while he was secretary of agriculture that a drop in prices was coming and he urged them to prepare for it.

He denied that the farmers were suffering from lack of credit. The much termed deflation or contraction does not exist, said Houston. The only limit put on credit is due to speculation.

He said in his opinion that there was no way to finance agriculture exports because of the financial situation, existing between Europe and United States.

WON'T GIVE UP FORCES

D'Annunzio to Wait For Italian Army to Dislodge Island Forces

Rome, Italy, Dec. 4—Gabrielle D'Annunzio sent a note of defiance to General Decavaglia, commanding the Italian forces surrounding Fiume.

Decavaglia had redemanded that D'Annunzio evacuate Arve and Zeglia in connection with the Rapallo treaty.

"I do not require your authority," the poet's report stated. "I shall continue to hold the island. I am waiting for you to send men to dislodge my brave legion. Your men will be received warmly," the reply stated. The note was sent while the Italian forces threatened the island of Fiume and the port was blockaded.

POLITICAL BUCKET IS UPSET ONCE MORE

Refusal of Senator New to Accept Place on Cabinet Leaves Opening For More Talk

HAD IT ALL PLANNED OUT

Indianapolis, Ind., Dec. 4—Word from United States Senator Harry S. New that he would not accept a position in president-elect's cabinet, if it is tendered him, has upset the dope pot again.

Certain republican politicians, said to be influential, hatched a plan at a conference at French Lick during the summer, which provided that Harry S. New be given a place in the cabinet and that Will H. Hays be offered his seat in the senate. The hope was to retain Hays as national organizer of the party but if elected to the Harding portfolio he would be forced to resign.

The situation now confronting the politicians is what will become of Will Hays. It has been said that he could not sit in the cabinet and retain the chairmanship at the same time.

WILL KEEP MEN ON THE FARMS

South Dakota Land Settlement Plan Gives Credit to Former Soldiers To Buy Farms

140 LOANS ARE MADE THUS FAR

State Will Provide Finances For Farm Purchases as Well as For Farming Equipment

Pierre, S. D., Dec. 3—Although a number of South Dakota ex-service men have “seen Parer” they are staying “down on the farm” in opposition to the thought in the popular song. This result has been achieved partly by the successful workings of the South Dakota Land Settlement Plan, which provides for the loan of any sum between \$500 and \$10,000 to former service men for the use of paying ninety per cent of the appraised value of land and eighty percent of the cost of equipping it with machinery and live stock, a system similar to that which the American Legion has embodied in its four-fold national

Colonel Boyd Wales, who led the 147th P. A. Regiment of the 32nd Division, and who is Land Settlement Commissioner, is enthusiastic over the results in the short time compensation plan.

the plan has been in operation. Up to October 1, 140 former soldiers had received loans and been located on lands. Of this number, Colonel Wales declared that “one hundred percent are making good, and they all made some improvements and raised some grain”. The loans to individuals have averaged about \$4,500 each. Most of the men have put in about ten percent of their own capital, using the balance of it for stock and improvements.

In the course of their farming operations, 43 of these men have raised 1,671 acres of corn, an average of 39 acres each; 26 have raised 685 acres of oats, an average of 25 acres each; and 25 have raised 912 acres of wheat, an average of 36 acres each.

MAKE WAR ON SHORT SKIRTS

Parent Teachers Associations Also to Combat Cigarette Habit

Indianapolis, Ind., Dec. 4—Short skirts, peek-aboo waists, and open hosiery on high school misses and cigarette smoking by the Hoosier youth are coming under the guns of the Parent-Teacher associations, according to plans formulated by the Indianapolis federation. A resolution adopted by the federation declared that body would use all influence to encourage “sensible dress” among the high school girls.

Another resolution pledged the organization to cooperate in widely directed efforts in county, state and nation to safeguard young people from evils of the cigarette habit.

Squaring the Deal

Most people are at heart advocates of the square deal. It is a natural trait of the American people, and the residents of this community are not backward in this respect.

Shall we incorporate the spirit of the square deal into our Christmas spirit this year?

Shall we go even further, and make it a square deal for ourselves and for the community that shelters and feeds us?

Our people for a number of years have enjoyed a large measure of material prosperity. This fact is reflected in the community life, in the clothes we wear, in the food we eat, and in every act of our daily existence.

It will be reflected in the purchases we make for the holiday season,

which will be upon a liberal scale, though possibly not extravagant.

A spirit of fairness impels us to say a word in behalf of our local merchants—those dealers who have stood loyally by the community in adversity as well as in prosperity.

They have purchased heavily in the wholesale markets in order to be able to supply the holiday offerings down as low as it is possible for them to be sold. They have done their utmost in order to meet the requirements of the public.

We feel that our people are eminently fair minded—that they will extend the square deal to the home merchant at Christmas time as they do at other seasons of the year—that they will first examine the stocks of the local merchants before making their Christmas purchases—and, all things being equal, that they will give the local man the benefit of their trade wherever possible without prejudice to themselves.

Christmas is a time of good cheer, and the square deal increases it a hundred fold.

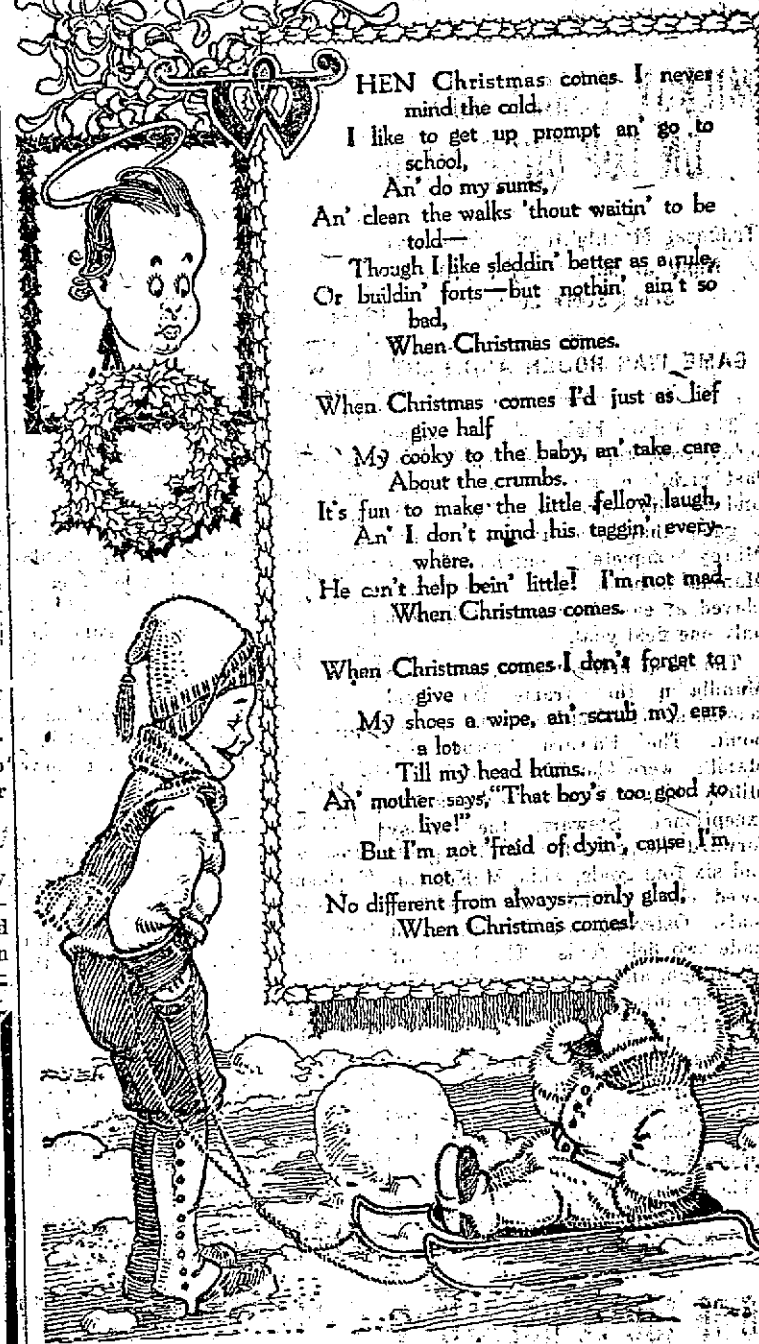

Political writers in the daily press have assumed the task of constructing a cabinet for the next president. And yet it can hardly be termed "love's labor lost". A lot of people can say that they were also mentioned.

The fellow who waits for tomorrow lives on the crumbs of today.

The man who passes up an opportunity is generally the one who kicks the loudest when the other fellow gets it.

An' clean the walks 'thout waitin' to be told—

Though I like sleddin' better as a rule,
Or buildin' forts—but nothin' ain't so bad,

When Christmas comes I don't forget to give

Till my head hums.
An' mother says, "That boy's too good to live!"

But I'm not 'fraid of dyin', cause I'm

No different from always—only glad,
When Christmas comes!

RUSHVILLE PILES UP A LARGE SCORE

High School Defeats Spiceland Here Friday Night, 50 to 9, Making Goals With Ease

26 TO 4 END OF FIRST HALF

Rushville Uses Substitutes During Opening Period—Second Team Is Defeated, 14 to 10

The Spiceland Academy fell hard last night to the Rushville high school, the final score being 50 to 9. The one sided contest, gave the Rushville team a chance to exhibit real team work, and made goals almost at their leisure, although Spiceland never gave up the game until the final period was over.

The second team was off form last night and couldn't get together, and lost to the Academy's second team by the score of 14 to 10. In the first half of this game, Spiceland piled up 10 points while Rushville had 2, and it was not until the game was almost over that the Rushville seconds woke up, and began a rally, which proved to be too late.

In the big contest Coach Sutton started the team with the regular line-up and within a minute the score began to register. The first ten minutes Spiceland was held scoreless, while Rushville had eleven points. R. Reece, center for Spiceland, made the first two points for the visitors, when he turned loose a field goal from the center of the floor, followed soon afterwards by another long shot by V. Reece, back guard, who threw the ball into the basket from deep back field.

Rushville continued to land the ball through, and when the first half had ended the score stood 26 to 4. Before the half ended Rushville made substitutions in the line-up and even with the "subs" in the game Spiceland could not break through.

Coach Sutton replaced the regular line-up again in the last half, and Spiceland was the first to score on a field goal. The two Headlee brothers for Rushville began to work like magic and the points rolled into the basket in rapid order.

When only a few minutes remained to be played the score stood 44 to 9, and the fans broke loose with yells, wanting the score to be brought up to 50 points. The basket shooters started in and began to make work the 50 point margin, and it was when the ball was in the air headed for the basket that the final whistle blew, but the goal counted because the ball was in motion.

Rushville played swift ball throughout the game and were not compelled to exert themselves in order to win. The Headlee brothers played together in great fashion and were the big point makers, while Miller and Eakins added team work and made effective on their passes in leading the ball up to the goal. Frazer at back guard covered his territory, and his man at forward was held without a single point.

The local team plays away from home next Friday, going down to Columbus for a game. It has been several years since a Rushville team has had any luck with the Columbus team, but this year Coach Sutton is confident that his team will turn the tide.

The score and summary last night: Rushville (50) Spiceland (9)
L. Headlee F. Myers
Miller F. Wright
E. Headlee C. R. Reece
Eakins G. Stickler
Frazer G. V. Reece
Substitutions: Rushville, Davis for E. Headlee, Phillips for Eakins, Reynolds for L. Headlee and then reversed again: Spiceland, Lacy for Stickler, Starbuck for Wright, Henshaw for V. Reece. Field goals, L. Headlee 5, Miller 5, E. Headlee 12, Eakins 2, Phillips, Reynolds, Myers, R. Reece 2, V. Reece. Foul goals, R. Reece 1 out of 5; Eakins 4 out of 9. Referee Babb, Indianapolis.

ARLINGTON IS DEFEATED

The Arlington high school basketball team lost a close game last night to the Moscow high school on the floor at Blue Ridge, by the score 15 to 17. The game was a real battle from beginning to end, with Moscow leading in the first half, 13 to 4. In the final period Arlington came back strong, but could not quite catch up, and were compelled to drop the game by the narrow margin of one point.

Your friends can not buy your photograph, you must give it to them as a personal present. Wallace, photographer.

BOTH CARTHAGE TEAMS WIN ON THE HOME FLOOR

High School Quintet Defeats Clarksburg, 56 to 5, Allowing Visitors, 1 Point in Last Half

INDEPENDENTS WIN 16 TO 11

The Carthage high school had little trouble last night in downing the Clarksburg high school, when the score ended with Carthage at 56 and Clarksburg with only 5 points. The game was clean and fast and in the last half Clarksburg made only one point, the first half ending 34 to 4.

The fans at Carthage also saw the Independents win from the Spiceland Independents by the score of 16 to 11. This game was exciting from beginning to end and the first half saw the visitors leading 9 to 6. Ratchin, guard, and Chew, forward, were fast for Spiceland and starred for the visitors, Carthage has won several games on rallies toward the end, and will play in Rushville on Tuesday night.

In the curtain raiser to these two games, two girls' teams from the high school played, and the 'Blacks' defeated the 'Reds' 6 to 5.

MILROY COMES OUT ON TOP ONCE MORE

Trounce, Manila High School Last Night at Manila by the One Sided Score 30 to 5

GAME WAS ROUGH AND FAST

The Milroy high school romped away from the Manila high school last night on the floor at Manila, and the final count was 30 to 5, in a game that was fast and rough. Milroy completely outclassed the Manila team in every respect and played at ease leaving Manila with only one field goal.

The first half was fast, and Manila in this frame was held scoreless, while Milroy ran up 12 point. The Edward brothers for Manila were the stars while for Milroy the guarding of D. Jones was exceptional. Stewart, the classy forward was good for six field goals and six foul goals, while McKee followed close behind with four field goals. Osterling and D. Jones each made two field goals. The last half was rough, and two players for Milroy were injured and were unable to finish the game.

The second team from the high school at Milroy was unfortunate and were beaten at Greensburg by the second team of that city, by the score of 11 to 3.

The first team from Milroy has a clean record so far and has taken everything in its scope.

STAGE A COMBACK IN THE LAST HALF

Odd Fellows Quintet Unable to Overcome Moscow Independents Lead, However, And Lose

GAME PLAYED AT BLUE RIDGE

Score is 28 to 8 in First Half by Local Independents Hold Moscow to 6 Points Last Half

The Odd Fellows basketball team lost a hard fought game last night to the Moscow team on the floor at Blue Ridge, by the score of 34 to 27. One of the big features of the game was the "comeback" staged by the Rushville team in the last half of the game.

It was the first game for the Rushville team, and Keating, floor guard, was compelled to go out of the game early on account of a sprained ankle.

In the first half Moscow romped away with Rushville, and ran the score up to 28 points, while Rushville was held to only 8. In the last half the local team rallied and made a big attempt to overcome the lead, and was almost within tying the score when the game ended.

In the last half Moscow made only three field goals, or six points while Rushville made 19. Hillgoss, who took Keating's place as floor guard, showed up well, and made four field goals.

Shook, the well known Manila high school center of last year, played with the Moscow team, and it was around him that the team worked. Shook made 8 baskets or 16 of the points for the Moscow team. The Odd Fellows team will go to Fairview tonight where they will meet the Athletic club of that place. The first game here will be with the Carthage Independents on Tuesday night and it is being planned to have the Odd Fellows band out for the opening game in the new gymnasium in West Third street.

The injury which Keating sustained last night will compel him to be out of the game for several weeks.

The score and summary last night: Moscow (34) Odd Fellows (27)
T. Gosnell F. Henley

Shook C. Martin
Gardner G. Petry

Substitutions: Moscow, Neal for T. Gosnell; Rushville, Hillgoss for Keating; Field goals: T. Gosnell 4, P. Gosnell 5, Shook 8, Henley 2, Martin 4, Keating, Hillgoss 4. Foul goals, Henley, Martin. Referee Aitler.

Wins on Visitors Floor Handily Friday Night, 21 to 18, Maintaining Lead All The Way

PETERS IS POINT GETTER

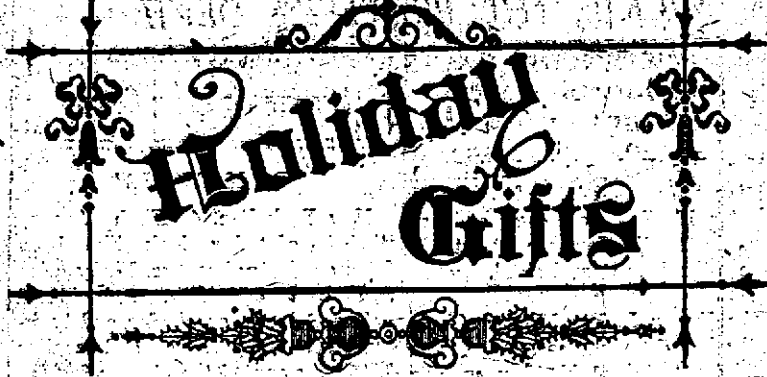

The Fairview high school journeyed over to Union county last night where the basketball team won from the Liberty aggregation by the score of 21 to 18, winning the game in the last few minutes of play.

Liberty had a few point lead all through the game, and in the last five minutes of play Fairview took a spurt and with quick work by Link and Peters, the game was won by the three point margin. When the first half ended, the score was 13 to 11 in favor of Liberty.

Peters for Fairview was the point getter, and landed five field goals and three foul goals or 13 of the points. The floor was small and all shots were made from close range of the basket. Fairview goes to Liberty again next Friday where they will meet the Brownsville team on the same floor.

The score and summary of the game:

Fairview (21) Liberty (18)
Link F. Burt
Parker F. Rodefer
Peters C. DuBois
Cook G. Thompson
Reed G. Martin
Substitutions: Fairview, Duncan for Parker; Darnell for Duncan; Liberty: Brown for DuBois. Field goals, Link 3, Peters 5, Duncan, Burt 2, Rodefer, DuBois, Thompson 2, Brown. Foul goals Peters 3, Thompson 4. Referee Parker, of Richmond.

C. Seward Jackson, son of Henry Jackson of this city, and Miss Lela Richardson, daughter of Mr. and Mrs. Howard Richardson, were married this afternoon at two o'clock at the Main Street Christian church parsonage, by the Rev. L. E. Brown. The young couple will reside in this city.

Mrs. Charles A. Mauzy and Mrs. Hugh E. Mauzy were gracious hostesses yesterday afternoon between the hours of 2:30 and 5:30 for a prettily appointed musical given at the home of the former in North Harrison street. The home was attractively decorated for the affair in ferns and French baskets of red and white carnations.

Three musicians of Indianapolis, Mr. Nealis, baritone; Miss Florence Paikin soprano and Miss Obermeyer, accompanist, rendered a very appropriate musical program and were very highly complimented for their selections.

Following the program a delicious luncheon was served by the hostesses, to the one hundred and fifty guests entertained during the afternoon.

At 6:30 in the evening the hostesses, joined by their husbands, entertained one hundred guests with a delicious three course dinner party. The small tables on which the repast was served were prettily decorated with place cards, and individual candles and shades, carrying out the color scheme of red and white, in keeping with the Christmas season. Following the dinner the musicians rendered another entertaining program.

Among the out-of-town guests present for the affair were Mrs. George Becker of Richmond, Mr. and Mrs. M. H. Voris and Mr. and Mrs. A. D. Barb of Franklin, Ind.

Gift Muffs and Furs

Those wonderful plushes that are now known as "wool furs" make neck-pieces and muffs that are just as warm, just as handsome and more durable than those made of skins, and they are not at all hard to make. A set made of sea plush is shown here.

New York Shops Show Spring Goods

"By MARJORIE"

New York Dec. 4.—Fifth Avenue windows of today look like lawn fetes or Easter bazaars. Fluffy crisp and cool organdies, embroidered nets and laces, sunshades and bathing suits, and leghorn and maline hats have routed the sterner fashion stuff of winter. The Palm Beach-Hot Springs crowd are casting eager eyes upon this torrid-zone raiment, and the stay-at-homes cast no less ardent orbs. For, be it known it is this advance summer resort clothing that sets the style for northern spring and summer wear, and it is an open secret that manufacturers are already making spring and summer clothes along the very same lines indicated by the resort finery, which is now doing a thriving business for the retailers.

Flower effects in both color, pattern and line hold sway in many different realms of fashion. One house is showing a window of soft crepe silk skirts adorned with hand-blocked flowers that swirl about the hem. There is a white skirt, bordered in gay black-eyed Susans. Another shirred model of canary yellow crepe uses a motif of gorgeous nasturtiums. Plain colored silk skirts are selling very well to the Southern trade, especially modes of cornflower blue and rose pinks.

Other nobby skirts are developed in combinations of silk and wool. One house is showing crepe made up with yokes and panelings of duvetyn. Black and white is most conspicuous in this line. Even white wash skirts glow with some fleck of color. Narrow bandings of copper collar edge the pockets and belt of many models.

Large floppy hats in summer shades to match the rainbow tints of dresses, blouses, and skirts abound. Ribbon hats seem most popular. Wide Roman stripe ribbon fashions many chapeaux and demands no additional trimming. These gay hats are worn with sport and white costumes. Rubberized silk is pressing to the fore as a hat fabric. One charming model of rose color trimmed with flowers of the same material is being shown.

The shiny effects given by glycerined feathers, ribbons, and shellaced braids are being resurrected for next season. Many of the most exclusive shops are selling hats of eire taffeta, trimmed with huge bows of self-material. Organdie itself fashions many of the airiest hats. Flame color is very popular. All cloth fabrics are very good, by the way. A house which sells importations is asking a fabulous price for a demure poke bonnet fashioned of porcelain blue taffeta and trimmed with vari-colored appliqued flowers of silk and wool.

Organdie has been found fit for a brand new fad. This is its use for little corsage bouquets. Rich evening gowns of stiff brocades and metallic cloths are given a wee ingenu fleck by the flowers of organdie at shoulder or bodice. The "sweet-girl graduate" effect is continued by little puffed sleeve dresses with high-waisted, shirred bodices and full skirts. The baby sleeves are generally of organdie and are trimmed with eyelet embroidery or heading.

Dame Fashion seems more fickle with her warm-weather dresses than any other part of her wardrobe. There are Princess models with long waisted bodices made from organdie or voile, and full skirts of a contrasting taffeta. There are tunic dresses of taffeta with Medici collars of organdie. There are beaded chiffons and georgettes, and duvetyn, the winter's favorite material, continues into this warm-weather stock. There are many jacket blouses of crepe trimmed with gay duvetyn collars and cuffs.

Dress skirt, and suit makers seem agreed on the slogan "Back to the Soil", for all the hems show a noticeable drop. Nine inches above has come to be the standard height, in contrast to the winter vogue for twelve above.

For Over Seven Years

Back in the early part of 1913 this business was organized and started in a small frame building. Then came a move into larger quarters on account of increased patronage.

TODAY

We occupy our own plant. It is the third place we have occupied since our organization. Our patronage speaks for itself. Year after year we have expanded and added new equipment, which makes our plant today one of the finest in the state

WE INVITE INSPECTION

Come, see for yourself, the different departments in operation. Work is taken care of in Rushville, and is not trusted to some cleaner in an out of town plant. Because of the trust people have placed in us, is only one reason why our plant has so successfully existed under the same management for over seven years.

This plant is the only plant in Rush County that is entitled to the name of "Master Cleaners."

Answer These Important Questions

Have you ever had cause to doubt that you enjoy perfect vision? Do your eyes feel sore after a spell of close work—aching, smarting, or feeling as if sand or grit was lodged behind the lids.

Do you ever, while reading find that the print suddenly "goes misty," and confused? Is it necessary for you to hold your book or newspaper further away from the eyes than formerly—or do you need a stronger light? Do you find that reading or sewing for an extra hour or two causes headaches?

If you have noticed any of these peculiarities with your eyes you should have them carefully exam- ined. Call and see us at once.

TAKE

PEPSINCO

Sometimes in front just under the heart, sometimes around under the left side, under the ribs behind the heart it's a sharp or acute pain; sometimes a dull heavy pain, leav- ing soreness. It's gas on the inside generated through gaseous foods, or, because of syste- matic inability to prop- erly assimilate the food, this gas soon col- lecting, forms a lump that causes the pain. This is only one of a dozen different indica- tions of indigestion which PEPINCO im- mediately relieves. Keep PEPINCO han- dy and take it the next time.
